

# BECOME AN EPEC-PEDIATRICS TRAINER

April 12 – 13, 2018 | Minneapolis, MN

*\*plus* Optional Professional Development Workshop (PDW) April 14, 2018\*

The EPEC-Pediatrics curriculum features state-of-the-art knowledge in pain and symptom management and training in the skills required to address key domains for pediatric palliative care. The program is designed to give pediatric healthcare professionals (incl. physicians, nurse practitioners, nurses, social workers, psychologists) the knowledge and skills needed to provide excellent palliative care to their patients and their families.

Participants will also be equipped to become EPEC-Pediatric Trainers who can educate interdisciplinary teams providing care to children with serious illness.

**EPEC**<sup>®</sup>  
Pediatrics

## Registration Includes:
